

Chapter 9: Farmington Canyon, Mueller Park, and North Canyon

SOUTHERN DAVIS COUNTY TRAILS

The trails in the Farmington and Bountiful areas sit within a stones throw from the cities around them. Their proximity to the masses makes them easily accessible and perfect for quick trips. Farmington Canyon is found east of the city of Farmington while Mueller Park is found east of the city of Bountiful.

Warm Ups: Einstein Bagels on 5th South and Main Street in Bountiful has hot soups, sandwiches, bagels, and hot drinks. Table seating available.

Nielsen's Frozen Custard on 570 W. 2600 S. in Bountiful is a family-run business that is famous for its divine custard, but has burgers, fries, and chicken as well. The worst part of this little diner is the long lines that seem to be there year-round.
